Acquisition of Share in Sirius Corporation

Mitani Corporation (“Mitani”) has announced that the company has acquired a 100% stake in Sirius Corporation (“Sirius”), as of January 22, 2018.

1. Background of Acquisition

In addition to existing businesses, Mitani has put greater importance on developing a new business both in Japan and abroad, from a global perspective.

Sirius provides a wide range of medical equipment as well as scientific equipment globally through Official Development Assistance (“ODA”) projects. ODA-related industries have been stable, and Sirius is a leading distributor of medical equipment in the industry. Sirius has expertise in the overseas trading operation with employees who are acquainted with various languages. Therefore, Mitani has decided to acquire all shares of Sirius.
